Dear Class of 2000,

Who can believe that it was five short years ago since we entered the green and white halls of MHS, completely unaware of the fun events we were going to experience, all the memories and friendships we were going to make, and the fact that we were all so small compared to the upperclassmen. But, now, we are the big ones and we are graduating.

The Class of 2000 is so diverse with everyone having different personalities, interests, and talents. But, this is what makes ours class so special. We have formed a bond over the years through our class events. We made it through our eighth grade year of being the little babies and celebrated by throwing on our dancing shoes for our semi formal, "Tropical Paradise." And, our confidence grew during freshman year as we all began to branch out to various clubs and athletics. But, amid our branching, we still managed to come together for some intense games of volleyball at Freshman Fun Night.

Sophomore year seemed to be the perfect year. We were right at the halfway point of our high school careers and were not yet stressed out by grades and college choices! Our Sophomore Fashion Show, "Hot, Hot, Hot", was a huge success and an outlet for our class to show off our diverse personalities and styles.

By junior and senior year, everyone had their own set of friends, but we all bonded and had a blast at our prom, "Time to Remember" and Senior Night Out, "Millenium Mardi Gras." Everyone looked so amazing and the committees worked so hard to make those two events two of our greatest high school memories before graduation.

But, besides the big events, there were things like "Deck the Halls, and other everyday things that will be missed about our class after graduation. Whether it was Mike Sullivan and others yelling in the hallways, Matt Flynn on crutches, or the smell of spoiled milk, all these things made the class of 2000 hallways unique.

So, we are the class of 2000. What's all the hype about? Well, we'll tell you. We had a kid faster than Forrest Gump, we had kids smarter than Einstein, we had fans craziers than the Cheese-heads from Green Bay, and an advisor who was very dedicated and caring. Although the new millenium will see a lot of changes, it's going to be very hard to duplicate us. We have both loved going through this journey with you and acting as two of your class officers. Good luck in the future. Go Rams!

Linda Fader

Class Advisor

To the Class of 2000,

The year 2000. Whoever thought that we'd all really be poised on the edge of a new century one day, let alone a new millennium? Yet, here we are, you're ready to march towards an unknown but exciting future, and we—your teachers and your parents—wishing you well, still a part of that old century, fond of its familiarity, yet envious of your journey.

I decided to become advisor to the Class of 2000 because I had had a recent positive experience with another class, I was looking for a unique end-of-my-career experience, and the year itself, what it represented, intrigued me. And working with all of you has been truly special. From the time you were eighth graders our relationship has been more than rewarding and has certainly helped keep me young (well, maybe I've added a few more wrinkles and gray hairs!) I've enjoyed your enthusiasm for your class activities—the food sales, the Fun Night, the Fashion Show, the Prom, the hall decorating competitions. You've grown before my very eyes from youngsters, nervous about their first high school days to mature, responsible adults, applying to college, working at jobs, dating, driving, leading, learning. I've especially enjoyed working with your class officers whom I regard as trusted friends.

As you go on towards your separate futures, I hope you will remember your time at Marshfield High School as a good one and will build on the education and experiences you've had here. May you find satisfying work and relationships. May you make a contribution, whether small or large, to the world. And may you appreciate moments before they are gone. In the words of Tennyson, may you "follow knowledge like a sinking star" and remain "strong in will/ To strive, to seek, to find, and not to yield."

Linda Fader

The Class of 2000 would like to dedicate this yearbook to Mrs. Linda Francis and Ms. Michelle Perrone for their continual support, guidance and friendship.

Michelle Perrone

"...More than just someone who teaches the difference between plant and animal cells. She's our true friend and one of our greatest supporters."

"...a great performer in her work. Through my high school career, Ms. Perrone has been here to help me out with everything I have needed help with."

"We were her first class in MHS and she has seen us evolve into who we are today. As we leave Marshfield High School, we know that in her, we can look back and find not only an awesome teacher, but a friend."

" Mrs. Francis is a loving and caring teacher that is always there to lend a helping hand and give words of encouragment."

"The one thing I will never forget about Mrs. Francis is her care and dedication to teaching."

"Warm fuzzies to all!!"

"Mrs. Francis always found a way to make English fun. She always made everyone feel included and she could always bring a smile to any face."

"She is such a kind soul that would do anything for anyone."

1999 MHS Varsity Football Team
ACL CHAMPIONS

The 1999 Football Season was one to remember. We finished with a perfect 10-0 regular season record. The 1999 Rams were the first team to go undefeated in the school's history. This is an amazing feat that shall be remembered for years to come. This year was also the first year we beat our non-league rivals, the Rockland Bulldogs with a final score of 19-18. Our team got the job done by coming out 12-0 at half time and scoring all three touchdowns in the second half. Nevertheless, the biggest game of the year was on Thanksgiving in Duxbury vs. the Dragons. In front of a crowd of thousands, our tireless efforts paid off when we defeated an undefeated Duxbury team 34-21 to capture the Atlantic Coast League Title. A powerful offense and a stellar defense headed up this year's team. The 1999 Rams Football Team finished the season as one of the top ten schools in the State and will always be remembered. -- Joe Ferrulle, #55, Captain '99

The girl's soccer team had an impressive 1999 season led by tri-captains, Marina Meehan, Katie Kilduff, & Kim Rhodes. The Lady Rams were match up against and beat some of the toughest and most competitive teams in the State. All of the hard work and dedication the girls displayed through the season definitely paid off at the end when they captured the title of 1999 Atlantic Coast League Champions. ACL All Stars included Mary Bl Marina Meehan, Katie Kilduff & Kim Rhodes. Katie Kilduff received the additional honor of being voted the #1 player in the league and Kim Rho was also recognized for being voted the #2 player in the league! An old tradition was revived this year when the Lady Rams challenged and defea a team of willing faculty and parents in a friendly and humorous game that took place at the end of the season. The Girls Soccer Team had a success season that they will never forget and should all be very proud of their accomplishments.

Boys Soccer

The boys cross country team had a very successful 1999 season. Under the senior leadership of Matt Emond, Tim Hoey, and Gary Dunderdale the boys blazed a 5 and 1 record, finishing second in the A.C.L. to an undefeated Whitman Hanson. At the State Class Meet the team finished 4th overall, qualifying for the All-State Meet for the first time ever. There, led by Matt Emond (2nd), Nathaniel Powell (35th) and Tim Hoey (45th), the Rams placed top 10 in the State, two spots ahead of their arch rival, Whitman Hanson. Coach Ed Ryan was voted the Massachusetts Cross-Country Coach of the Year--another first in Marshfield history. It was a great year, maybe the best, and the success will only continue. Good luck in the future boys! - Matt Emond.

Winners of 1999 Pilgrim League Sportsmanship Award

The MHS Swimming and Diving Team enjoyed an exciting and challenging season. The swim team placed 4th and the diving team placed 2nd in the League Championship, not to mention the Pilgrim League Sportsmanship Award This team lead by many seniors brought leadership and enthusiasm into the 1999 season. The record of 3 wins and 5 losses was definitely not indicative of the spirit, energy and effort the girls put into each and every meet. This year's team was led by Captains Molly Lydon, Allyson Corbett and Rachel Bruno. Without their dedication and organization, this team would not have been as successful as they were. Good luck to all seniors on their following years in college: Jenni-Ann Blazuk, Christie McCarthy, Aimee Lydon, Molly Lydon, Allyson Corbett, Olivia Rooney, Rachel Bruno, Julie Megnia, and Amanda Rorke.

MHS FIELD HOCKEY TEAM

This year started and ended quickly. The team played their first game even before they were back to school, then it was two or three games per week through the end of October. The girls worked and played hard in a very competitive league. Led by Captains Lindsay Bramwell and Meghan Lovell, the team compiled a record of 5-7-6. This team was never out of any game and never conceding to another team without putting up a real battle! The highlight of the season was the arrival of the Field Hockey Team from Troon, Scotland. After spending two days with them, the game on Saturday was well-played and an enriching experience for all. As the season continued, all the players took a role in the team's success. Although we look forward with anticipation to next year, we will miss the leadership and lessons taught us by this year's seniors, Lindsay Bramwell, Meghan Lovell, Jill Davido, Lauren Kelly, Christie Marzelli, and Cheryl McLaughlin.
